

Who will
fulfill
the Great Commission?

Who will
confront
global human needs?

Who will
change
our nation?

**MILLION
LEADERS
MANDATE**

JOHN MAXWELL'S
EQUIP
LEADERSHIP

Conference

25th & 26th March 2011

LEADERS.

From a local church to an entire country, success or failure can be traced directly to the quality of its leaders.

LEADERSHIP IS INFLUENCE.

For either good or ill, a leader is like the first domino in line. The actions of a leader generate ripple effects throughout their entire organization, community or nation. An effective servant leader is the spark that ignites followers and other leaders to embrace a great cause and reach higher, go farther and perform better to transform dreams into reality! A self-serving leader is like a stone that starts an avalanche of destruction.

Founded by Dr. John C. Maxwell in 1996, EQUIP is dedicated to developing effective servant leaders-innovators, visionaries and achievers who shoulder responsibility, meet challenges with courage and creativity, and never relinquish their God-given dreams. We believe that every person is born with the potential to influence others. We believe a leader can be anyone possessing the desire to make a difference, the willingness to serve, the humility to learn, and the capacity to love.

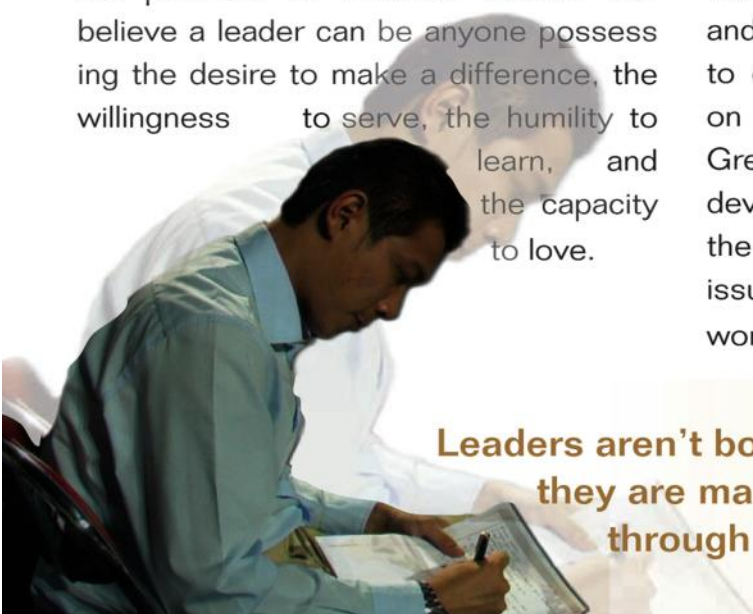

LEADERSHIP DEVELOPMENT IS A PROCESS.

At EQUIP, we know that leaders are not developed overnight or on their own but through a process of focused instruction, application and evaluation. EQUIP endeavors to empower leaders to reach their maximum potential by providing them with the highest quality of leadership training and resources.

ACROSS THE GLOBE, THE CRITICAL NEED OF THE HOUR IS FOR HEALTHY, EFFECTIVE LEADERS.

EQUIP is a non-profit organization specializing in the development of effective international Christian leaders. In India EQUIP is partnering with Joyce Meyer Ministries to work along with the Leaders of this great nation. From church leaders to government leaders, from educators to marketplace leaders, we are training a global vanguard of men and women who are stepping forward to effectively confront the great needs on our planet. With completion of the Great Commission as their priority, these devoted servant leaders are also leading the way to find solutions for the critical issues plaguing societies around the world.

Leaders aren't born, they are made. And they are made just like anything else, through hard work. ~ Vince Lombardi

Everything rises and falls on leadership.

It is the greatest joy of my life to see what God is doing through EQUIP. I am wholeheartedly committed to this mission of helping millions of international Christian leaders reach their God-given potential.

~ John C. Maxwell

We train leaders of character and competence, integrity and influence, because they are the agents of change on our planet. They are the difference makers. Their impact is felt everyday - no matter what cause they lead or what problems they are striving to solve. They change the course of history as they serve churches, communities and nations. Money invested in training more and better Christian leaders produce the highest and best dividends.

Understanding the worldwide deficit of effective servant leaders, EQUIP employs the power of exponential growth.

We train leaders to be effective in their spheres of responsibility, and we equip each of them to train other leaders. We believe leaders reach their highest potential when they are equipping and empowering other leaders!

LEADERSHIP IS A LIFELONG JOURNEY.

Whether through EQUIP's Million Leaders Mandate program, the EQUIP Leadership Series, or EQUIP's Leadership Moment daily radio program, EQUIP encourages and empowers Christians in all walks of life - from pastors to full-time moms to CEO's - to engage in an on-going journey of leadership growth and impact.

OUR VISION

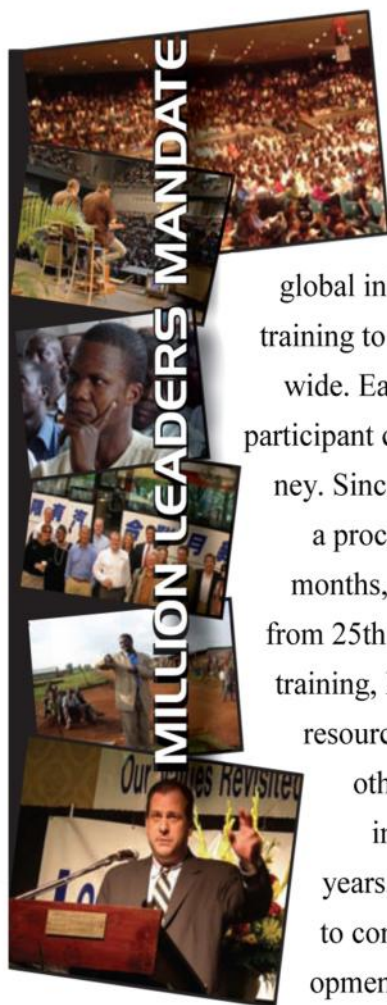

To see effective Christian leaders fulfill the Great Commission.

OUR MISSION

To equip Christian leaders to effectively serve the growing Body of Christ around the world.

OUR PROCESS

To provide strategic leadership training through conferences, resources, partnerships and technology.

Since 2003, nearly two million leaders in more than 100 countries have participated in Million Leaders Mandate, a global initiative to provide leadership training to millions of Christians world wide. Each Million Leaders Mandate participant commits to a three-year journey. Since Leadership development is a process, we will meet once in six months, for the next three years start from 25th & 26th March 2011. During training, EQUIP teaches and provides resources for participants to mentor other leaders in their spheres of influence. At the end of three years, participants are encouraged to continue their leadership development through additional curriculum of Million Leaders Mandate training. At this point, other leaders are also invited to join in the training process. "Faculty - The faculty for this seminar are experienced and have been trained by EQUIP Leaders at 'Train the Trainers' seminars."

"I thought leadership was about titles, positions, control, and manipulation until EQUIP came and taught us the biblical model of servant leadership. I now devote my life to serving my people and helping them reach their maximum potential."

- MLM participant
