Dear friend and co-worker in the Lord's kingdom. We at Word of Life would like to greet you in the matchless name of our Lord and Saviour Jesus Christ. We believe and pray that you are making an impact for the Lord through your faith and works. We also are doing the same for His glory. In this news letter we would like to share with you the "Lord's doing which has been marvelous in our sight. The whole of the year 2010 was filled with God's mercy and favor. We successfully completed three batches of teaching and training out of which two were three months batches and one was a one month batch of worship school.

Some Highlights.

62 students attended and completed the 3 month Bible School in 2010. Lives were deeply touched and transformed by the power of the Holy Spirit. Each session was witnessed by the glorious presence of God. Holy Spirit imparted deep burden and love

for the perishing souls in each life. All went to their respective cities and

villages with a commitment to serve the Lord

wherever He leads. Many have started helping their pastors and leaders in their local churches. Few have started ministry among children and few have planted small prayer groups and cell churches. We celebrate this divine work of God which He has entrusted to WOL Ministries in this end time.

School Of Worship.

School of Worship too was a great success in which 38 students attended. The program was divided into 3 groups; Keyboards, Drums & Guitar.

They were not only trained in music but also in the Word of God. They were led by the anointed Worship leaders and teachers. This was mostly a group of young people and

each young boy and girl dedicated their lives for the Lord's work. Many students are now using their God given talent of music for the Lord's ministry.

“WOL team also visited street beggars and gave them blankets in severe winter nights when the temperature dropped as low as 2° C.”

A Glimpse of the social works done by Word Of Life

Jesus said “Feed the hungry, clothe the poor...”[Matthew 25:35-36]
Word of Life also stretched further in the realm of social service in 2010. We supported 125 widows with food/ration for a whole year. After proper inquiry about each person’s family and background these 125 widows and disabled people were selected. Each month they came to collect their ration packets. Each pack would contain 4 Kg of Rice or Flour. 1 Kg of Lintels/Dal, ½ Kg of cooking Oil, Salt, Sugar & Tea etc.

Work was also done towards the upliftment of education in rural places.

School bags were given to around 1500 students studying in village schools.

These programs were organized in many village schools ranging from Primary to Junior High School. Small bag for primary classes contained 3 copies, 1 pack of colors, 1 Pencil Box with pencil, sharpener, eraser etc.

Bigger bag for students of classes 6th to 8th contained 2 registers, one box with pens, scale etc. This program was highly appreciated by all the school Principals, Teachers and village authorities.

A distribution of 1000 blankets to the needy and homeless was also done in 2010. The distribution program was conducted in the villages with the consent and help of village Pradhans. WOL team also visited street beggars and gave them blankets in severe winter nights when the temperature dropped as low as 2° C .

Partnering with SMI Foundation, WOL organized a Free Dental check-up camp in which about 100 people were attended by Dr. Sachin Seth and were distributed free medicines and were provided the necessary guidelines for oral hygiene.

New ventures in the social service.

We are glad to inform you that we will be starting a free tailoring course for women who are needy and less educated. This will provide them with a training and a skill by which they can support their families. WOL is also looking into prospects of providing them employment by distributing sewing machines and outsourcing work.

This training begins from Feb – 2011. Around 30 women will be trained free of charge for three months.

Another free training which is about to begin soon is of Candle Making. This training would be a great source of encouragement to the unemployed people. WOL will be providing free training and moulds to the trainees which would enable them to make and sell candles to earn their living.

"WOL is also looking into prospects of providing them employment by distributing sewing machines and outsourcing work."

Batches 2011

As you know Word of Life Ministries India is envisioned by the Lord by Hosea 4:6 My people are destroyed for lack of knowledge... and we are laboring towards the fulfillment of our God-given vision.

How you can be of help to us ?

- By praying regularly for us.
- By contributing towards the vast expenditure of each session
- By promoting the bible school by introducing it to your friends.

Upcoming Events

We are glad to offer a unique and a powerful Leadership Conference in collaboration with John Maxwell's EQUIP training programs. This conference will be a bi-yearly event. The expected program will be in March & November 2011, 2012 & 2013.

Word of life is also pleased to bring a powerful Jewish Worship Event in October 2011. We will have the joy of having a Messianic Jewish couple whom the Lord is mightily using in prophecy and worship.

You are welcome to join us in these programs. For more details do visit us on

***"Together we can
achieve more..."***

As a partner and friend we want to bring some of our ministry needs to you for your prayers and contributions.

- We are in need of a 40 seater bus as we do not have our own medium of transportation. Your any amount of donation would be a great help towards this need.
- With great regret we had to stop the distribution of food/ration due to lack of funds. Many poor and needy depended on this supply. We request you to pray with burden for the Lord's provision which will enable us to begin this work again.
You can also make a difference by contributing towards this. One food/ration packet's estimated cost is Rs. 200/- per person/month.
- Some students are willing to join but are unable to pay the fee of Rs 2000/-. You can be a great help by sponsoring the fee partly or in full and send laborers in the Lord's vineyard.
- You can also extend your help by sponsoring for one sewing machine or one candle making mould. The approximated cost of one sewing machine would be Rs. 5000/- and one mould for candle making Rs. 3500/-

You can make your contributions in favor of
WORD OF LIFE MINISTRIES INDIA
by cheque or demand draft.
